Organization Visits

Site visits will be arranged on 26th November, 2011 afternoon. There are 4 routes for you to choose and each route can serve 50 participants base on first come first served system. There is a reservation fee of HKD100 when you make the registration and the fee will be refunded on the day of site visit.

Route (1): Day Care Centre and Housing for the Elderly

Date: 26th November, 2011 (Saturday)

Time: 2:00pm to 5:00pm

No. of Participants: 50

(1) Christian Family Service Centre Choi Ying Day Care Centre for the Elderly

This visit will demonstrate a centre-based care and support services during daytime to those frail and demented elders and their caregivers. The participants will meet the frail elders coming to the day care centre who are suffering from moderate or severe level of impairment. At the same time, the participants will explore how the multi-disciplinary professionals intervene in the frail elders' daily activities to maintain their optimal level of functioning, develop their potential, improve their quality of life and to live in their own homes wherever feasible and possible. The interventions include rehabilitation training, nursing care and psycho-social development etc.

(2) Hong Kong Sheng Kung Hui Welfare Council Cheerful Court

"Senior Citizen Residence Scheme" is a brand new housing program for the public, which is constructed by Hong Kong Housing Society and operated by Hong Kong Sheng Kung Hui Welfare Council. It is specially designed for the elders with "integrated and one stop" residential service. Cheerful Court is built under the concept of "home with living support" and "lease for life", inaugurated in 2004 and their target group is the middle income elders. The participants can have a look on this newly designed housing program and apart from residential care units, they will also see the clubhouse facilities, restaurant, wellness centres including clinical and Chinese Herbalist medical services, dental and beauty services etc. Most importantly, the participants will know more on the concept of "seamless care" and "long lease" arrangement after this site visit.

Route (2): Day care centre for Elderly with Dementia, Geriatric Department in Hospital

Date: 26th November, 2011 (Saturday)

Time: 2:00pm to 5:00pm

No. of Participants: 50

(1) Jockey Club Centre for Positive Ageing

Jockey Club Centre for Positive Ageing is funded by The Hong Kong Jockey Club Charities Trust for the first 3 years. The centre was inaugurated in June 2000 and now operates on a self-sufficient basis. It is the first centre which specialises and dedicates to provide quality services to the demented elders and provide professional training in order to improve the care to them. During the visit, the participants will be introduced to JCCPA's wide range of services such as day care service, respite service, home-based training, caregiver support, memory clinic and Xpress memory hotline. At the same time, the participants will walk around the special designs of the environment which is suitable and comfortable to the demented elders providing both stimulations and orientation to them.

(2) Shatin Hospital

Formerly known as Shatin Infirmary and Convalescent Hospital and opened in 1991, the Hospital is an extended-care institution that specialises in convalescent, rehabilitation, psychiatric, palliative and hospice in-patient services. It also has Community Geriatric Assessment, Psychiatric and Psycho-geriatric Outreach teams, and it offers Community Nursing and Community Psychiatric Nursing services.

(3) Caritas Harold H.W Care and Attention Home

This care and attention home is a 3-floor building with subvented and non-subvented places. The home has joined the Residential Aged Care Accreditation Scheme organized by Hong Kong Association of Gerontology since 2005 and the home wishes to continue to provide quality care services to the elders living in the residential home. The participants will know how to maintain the quality services and full fill the requirements of being accredited. In addition, the participants will have a chance to see the operation of the hydro-pool facilities and how can the elders benefited from this.

Route (3): Care & Attention Home, Day Care Centre and Rehabilitation Centre

Date: 26th November, 2011 (Saturday)

Time: 2:00pm to 5:00pm

No of Participants: 50

(1) Chi Lin Nunnery Aged Care Facilities

Chi Lin Nunnery Aged Care Facilities is a large complex including a variety of elderly services including Day Care Centre, rehabilitation centre and Care Home for Elderly. It is built based on the Tang Dynasty temple style to conform with the adjacent Nunnery. The participants will meet the elders who are living in the residential care home, day care centre and rehabilitation centre. Chi Lin Nunnery will introduce their daily operations and provision of care programs to the participants. The participants can have a look on this integrated elderly care services with traditional Buddhism background during the visit.

Route (4): Nursing Home Service, Hospice Care

Date: 26th November, 2011 (Saturday)

Time: 2:00pm to 5:00pm

No of Participants: 50

(1) Haven of Hope Nursing Home

The participants will visit a subvented nursing home and explore their multi-disciplinary professionals' services. The professions include social worker, nurses, physiotherapist, occupational therapist and medical team. The home will show their quality care services to the participants and they will meet the frail elders who suffer from severe impairment.

(2) Haven of Hope Holistic Care Centre

Haven of Hope Holistic Care Centre is purposely designed to provide holistic care for the frail elders, chronically ill and patients with late stage cancer with an integrated approach in medical service and spiritual ministry. Through a quality medical and nursing team, state of the art care facilities and a tranquil environment, the centre aims at bringing comfort, dignity and peace to the residents in face of physical illnesses and even death. Participants will understand the special characteristics of these services including: 24-hour specialist-led medical and nursing care; high grade medical care facilities; psychosocial & spiritual care; how to tailor-make a holistic care plan with the residents and their families and experience the home-like feelings and tranquil environment personally.

Demonstration Workshops

Demonstration workshops will be organized on 26th November, 2011 from 2pm to 5pm. The aims of the workshops are to demonstrate some innovative and good practice service programs to the conference participants which fit for the conference theme "3As in Aged Care-Advocacy, Advancement and Achievement".

The demonstration workshops topics are listed as follows:

Workshop (1): Enhance Home Care: From Assessment to Care Coordination (Christian Family Service Centre)

Workshop (2): VIPS Dementia Care Module-Integrating theory and practice (Caritas Elderly Service)

Workshop (3): Dementia Care mapping (The Hong Kong Society for the Aged)

Workshop (4): Telehealth Care Model (Taiwan)

Workshop (5): A Model Nursing Home in the Making

Each workshop will serve 50 participants and base on first come first served system. There is a reservation fee of HKD100 when you make the registration and the fee will be refunded on the day of workshop.
