

Hong Kong Association of Gerontology

End of Life Training Program—Counseling and Bereavement Training Course

End of Life Care Intensive Training Course

With the funding support from "Ia Caxia" Foundation and The Bank of East Asia Charitable Foundation, The Salvation Army and Hong Kong Association of Gerontology jointly operate the "Palliative Care in Residential Care Homes for the Elderly". Providing bereavement support to the families facing the loss of loved one is essential elements in end of life care. Through a series of training workshops, we aim to provide a platform for the helping professionals to acquire skills and knowledge about bereavement and counseling skills.

Honorary speakers:
