Speakers profile:

Dr. Mimi Tse

Assistant Professor, School of Nursing , The Hong Kong Polytechnic University

Dr. Mimi Tse, Assistant Professor and Programme Leader for Master of Science in Nursing at the School of Nursing, The Hong Kong Polytechnic University. Mimi's research areas focus on pain management using non-pharmacological approach, elderly care, improving quality of living for older adults, long-term care, risk of dietary and age-related diseases, active aging, and digital health.

Ms. Faith Liu

Nurse Consultant, (End-of-Life Care) The Hong Kong Association of Gerontology

Ms. Faith Liu works as a Nurse Consultant (End-of-Life Care) in The Hong Kong Association of Gerontology. She is one of the pioneer of palliative care in Hong Kong and has rich experiences in the specialty. Her publication and research topics includes cancer pain; community palliative care in Hong Kong; preparing cancer patients to die at home; health problems encountered by dying patients receiving palliative home care and Advance Care Planning.

Mr. Wilson Chan

SPT / Manager of NWD-Aging Innovation

Mr. Wilson Chan works as a Senior Physiotherapist in the New World Development - Ageing Innovation. He is a very experienced physiotherapist that has worked in various Hospitals, NGOs & private settings.

Dr. Irene Wong

Aromatherapist

Dr. Irene Wong, PhD, MPsych is a nurse in both HK and the UK, educator and founder of "Aroma Garden". She started her company to educate the public as well as health care professionals about the wonderful healing potential of using aroma essential oils. Irene's nursing passion and specialty is in gerontology. Before starting a freelance teaching and research supervision in university, Irene worked many years as an Associate Professor at the Chinese University of Hong Kong followed by being the Head of School of Nursing at a private hospital. Dr. Wong received her Gerontology training in the UK. Her research and publications focus on gerontology and chronic wound management. Above all, Irene believes that Essential oils, which are derived from plants, are able to promote physical and psychological well-being of older adults. .
